**Resolution as follows:**

Police atrocities and harassment on the public are on the rise and the members of the legal fraternity are no exception. The action on the part of this officer is a blatant violation of the basic human rights, and no doubt on affront of the personal liberty of a citizen. Physical assault for no reason and without any provocation cannot be justified. Action needs to be taken against Mr. Saiju and all such delinquent officers.

We proposed to the aforementioned issue on an urgent and immediate action to upkeep the dignity of the advocate fraternity. Kindly do the necessary on urgent basis. *Kindly convene an urgent general body to resolve the above resolution.*  
We thanking you for the support.
